## INNOVATIVE

Patented adjustable top can be preset to any of three stirrup positions: Traditional, 45° or 90°. You can customize your stirrups to the setting that best suits you, your horse and your riding application.

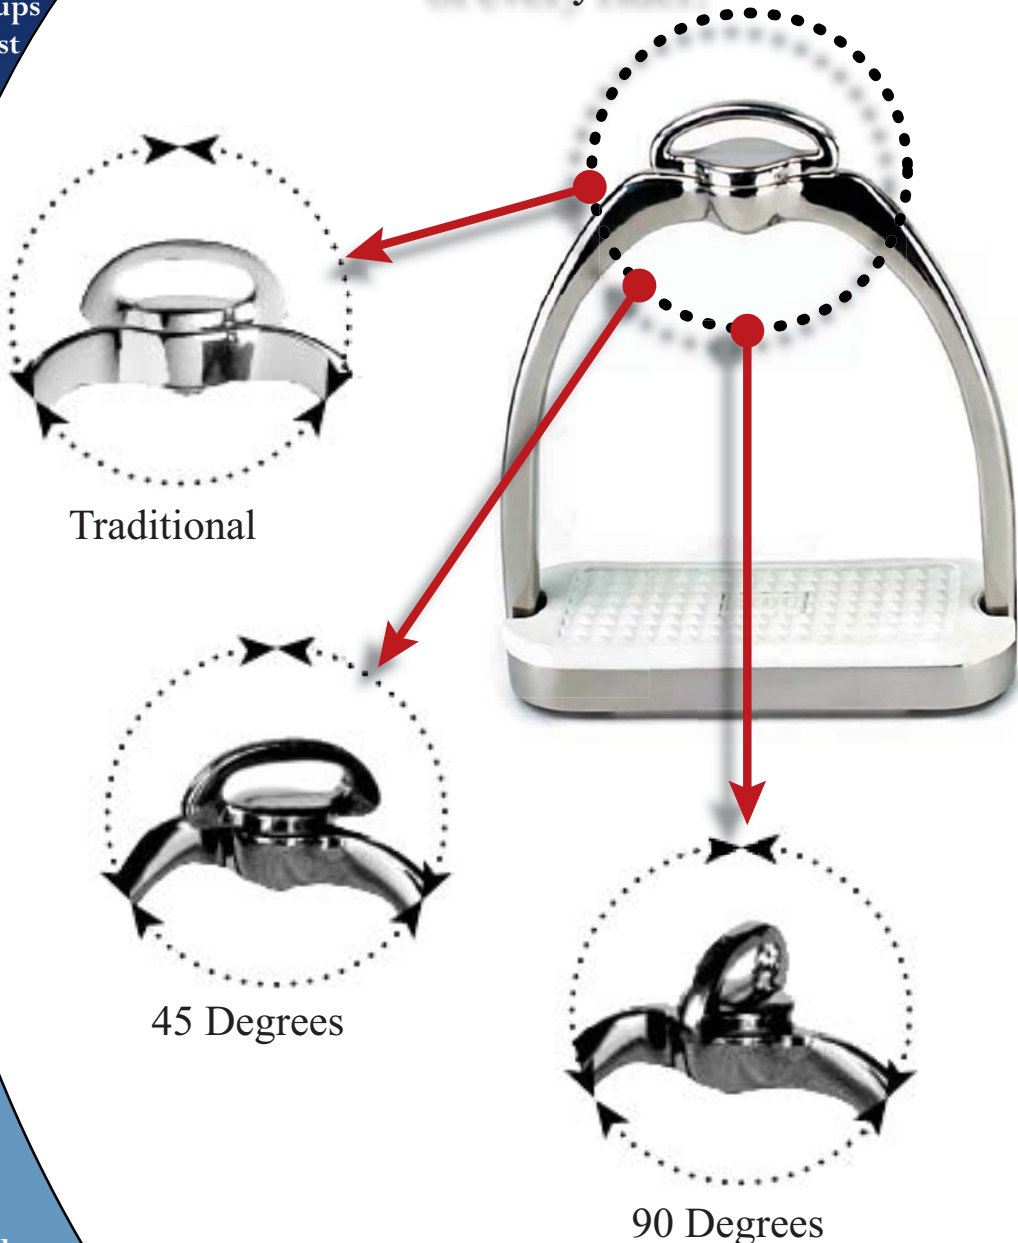

## SAFETY

The open stirrup angles greatly reduce the danger of being hung up and seriously injured.

## VESATILE

Each model comes with the patented, adjustable top. The MDC Comfort Stirrup® has a traditional solid foot plate, while the MDC Ultimate Stirrup® has a rubber protected hinged bottom.

The MDC Intelligent Stirrups™ provide a patented top which can be adjusted to suit the individual requirements of every rider.

*Finally, an Intelligent Stirrup!!!*
